5. Return the form by email or post

Proof of artwork will be emailed back to you within 2-3 days of receipt of your order.

## Thank you for your order

### Foil and Band Terms & Conditions

Font size – No smaller than 6pt

Please be aware that we occasionally have problems printing some colours on some bands, this depends on the nature/ design of the artwork, we will say at the point of proofing the artwork whether we think it will be an issue.

On some very small intricate designs the detail may fill in when printed.

Large blocked areas may not print well due to the foil blocking not adhering to the band due to the pressure and heat of the printer.

If we have any problems with printing after approval of artwork, we would contact you at printing stage to see what we could do to make any improvements.
