- 1 tablet needed
- Suitable for use on **porcelain, steel and ceramic** toilets
- Reduces odour, leaving toilets clean and fresh
- Ideal for daily descaling and suitable for septic tanks

STORAGE & HANDLING INFORMATION:
For professional use only. Store tablets in a cool, dry environment and ensure the pack is closed; do not let the tablets get wet. The concentrated powder in the tablet is wrapped in a water soluble film to prevent skin contact. Handle the tablets with dry hands only as the film dissolves in contact with water. If a tablet is damaged, handle it wearing impermeable gloves to avoid skin contact.

DILUTED CLEANING SOLUTION: There are no hazards associated with this product when it is diluted correctly with one tablet in 1 litre of water. When used in this form, gloves and other personal protective equipment are not required. The solution is effective as a cleaner for six months from when the tablet is dissolved.

CONCENTRATED POWDER: The following applies to the concentrated powder within the tablet's film in its undiluted form.

WARNING
Causes severe skin burns and eye damage. Contains eucalyptol, linalyl acetate. May produce an allergic reaction. Harmful to aquatic

life with long lasting effects. Keep out of reach of children. Do not breathe vapours. Wear protective gloves and eye protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting IF ON SKIN: Take off immediately all contaminated clothing. Rinse skin with water. IF INHALED: Remove person to fresh air and keep comfortable for breathing.

INGREDIENTS (CONCENTRATED TABLET): Thickener (40-60%), Non-Ionic Emulsifier (19-26%), Non-Ionic Surfactant (17-24%), Perfume (1-4%), Dye (Q.S). No products of animal origin.
